

Jack Freeman

Jack Freeman is one of New York City's hottest young comedians and MC's, quickly becoming a must-watch act in the comedy scene. His humor is smart, weird, fun, and loud, covering topics like Hot Topic, terrible cussing, and bad Tinder dates. Known for his confidence and on-stage presence, Jack finds the humor in more serious topics like his depression and his physical disability. Anything and everything is open to his hilarious jokes and act-outs.
